

United Sports UK Tour July 26th – August 5th, 2027

Welcome to the UK Tour,

I would like to formally invite you to join me on this UK tour.

The objective of this tour is not only to improve your qualities as a player, but also to introduce you to the culture of the English game and football in England. It is an experience designed for players who are serious about developing, competing, and preparing for the next level, including college opportunities.

We will be staying at the Village Hotel Cheadle, in Stockport just outside of Manchester, UK. Throughout the tour, players will take part in training sessions aimed at individual development as well as team needs. Sessions may be modified or tailored as required, and matches will be arranged against local teams to provide valuable competitive experience.

The tour will also include visits to Carrington, Manchester United's current training facility, and Old Trafford, the Theatre of Dreams, along with sightseeing trips to London, Conwy Castle, and the historic City of York.

Airfare is not included. The cost per player or parent is \$2,600. A non-refundable deposit of \$350 per person is required upon signing up, and a payment plan has been arranged. Full itineraries will be forwarded once all details are finalised.

If you have any questions, please do not hesitate to contact me directly. I look forward to sharing this experience with you.

Kind regards,
Gordon Hill
